

Mapping Analyst

Since 2002, we are committed to designing and developing technology solutions for the travel and tourism industry. For over a decade, driven by passion, dcs plus has connected travel to technology, in direct response to the challenges and needs of the travel and tourism professionals.

Our software isn't merely hacked. Rather, we build, design and develop tools in collaboration with those in the travel and tourism industry. Our goal is utility. dcs plus concentrates on technology so that travel professionals can concentrate on travel and tourism.

Our programs and systems support every aspect of a travel and tourism professional's work. They translate into stability and boosted efficiency for the most demanding leaders inside the industry.

Our team makes sure that our products can support millions of bookings run through our platforms in more than 50+ markets.

WHAT YOU CAN BRING TO THE TEAM

Ability to maintain focus and delivering a clean and errorless database.

Assuming responsibility and accountability for successfully completing assignments or tasks.

Sharing knowledge, solutions and best practices to particular cases that can later apply for the entire team.

Ability to see the bigger picture and understand the team's goal and your impact.

Actively participating as a member of a team to move the team toward to completion of goals.

Work closely with relevant departments / colleagues to ensure efficient operation in terms of developing different tasks.

WHAT WILL YOU DO?

Use mapping service content – merging the static travel content from more integrators into a single database with unique identification for locations, hotels and hotel details (geocodes, addresses);

Identify potential errors that may occur on the platform and database;

Remove the errors and offer relevant suggestions to avoid potential risk with impact on your daily activity;
Constant analysis of the product and technical specification;
Maintain a fully mapped database, with no duplicates;

WHAT`S IN IT FOR YOU?

A role inside a growing company activating in a changing and versatile industry that continues to gain notoriety and expand in new markets.
Opportunity for learning, development, and recognition in a young and family-like environment.
Continuous professional growth ensured by training & coaching programs & constant feedback sessions.
Certainty and stability of the team and of the working environment.
